

EXCELLCITY PROJECT WITH KEY ROLE IN "CAREER DAYS 2026" AT ULSIT

Sofia, 2026 – The University of Library Studies and Information Technologies (ULSIT) once again became a meeting point for students, employers, and partners from various sectors during the initiative "Career Days 2026". The event reaffirmed its role as a leading platform for career orientation and for strengthening sustainable connections between academia and business.

HIGHLIGHTS OF EXCELLCITY'S CONTRIBUTION

ACTIVE PARTICIPATION

ExcellCity participated as co-organizer and sponsor of the forum.

CREATIVE TOUCH

Branded "cake-in-a-can" desserts were provided to all employers with exhibition booths.

GREAT ATMOSPHERE

The innovative gesture created a friendly environment and served as an "icebreaker" between students and employers.

HIGH APPRECIATION

The initiative was highly valued by participants and contributed to positive energy throughout the event.

RECOGNITION

ULSIT awarded ExcellCity with a certificate of partnership for its active involvement and support in organizing "Career Days 2026".

WORDS FROM THE EXCELLCITY TEAM

"We believe that successful events are built not only through content but also through experience. With our participation, we aimed to contribute to the positive energy of the forum and support employers in their communication with students."

ABOUT EXCELLCITY PROJECT

ExcellCity aims to strengthen research excellence and innovation capacity in the field of smart cities. The project promotes effective collaboration between academia and business and supports the development of young talents.

IMPACT & FUTURE OUTLOOK

By participating in "Career Days 2026", ExcellCity once again demonstrated its commitment to initiatives that:

- ✓ create value for society
- ✓ support student career development
- ✓ build strong bridges between education and the real business environment
