

# FINAL CONFERENCE OF THE EXCELLCITY PROJECT EVENT BULLETIN

May 11, 2026

Metropolitan Hotel, Sofia, Bulgaria

## TOGETHER WE SHAPE SMARTER CITIES

The Final Conference of the ExcellCity Project successfully brought together researchers, academics, students, business representatives and international partners to celebrate results, exchange knowledge and build new collaborations for the future of smart cities.

### AT A GLANCE

**150+**  
Participants

**5**  
Countries  
represented

**20+**  
Presentations  
and talks

**6**  
Associate partners

**2**  
Start-ups and  
demonstrations

### CONFERENCE HIGHLIGHTS

#### Project Results & Impact

The ExcellCity consortium presented the achievements of the five Work Packages and the impact of the project on research, education and innovation in smart cities.

#### Start-ups & Demonstrations

Innovative start-ups and technology providers showcased solutions designed to improve urban life and sustainability.

#### International Collaboration

Our partners shared valuable experiences, good practices and future opportunities for joint initiatives.

#### Networking & Synergies

The conference created new connections between academia, industry, public institutions and innovators.

#### Young Researchers

PhD students and students presented their innovative ideas and research contributing to the development of smart solutions.

#### Looking Ahead

ExcellCity leaves a strong legacy and opens the door to future collaborations and projects.

### VOICES FROM THE CONFERENCE

“

ExcellCity is a great example of how education, research and innovation can work together for smarter and more sustainable cities.

– Conference Participant

“

The student presentations were impressive and inspiring. The future of smart cities is in good hands!

– Academic Speaker

“

We found new partners and ideas for collaboration that will continue beyond the project.

– Industry Representative

### THANK YOU!

We thank all speakers, participants, partners and supporters for making the Final Conference of the ExcellCity Project a truly successful event.

**Together we build  
the cities of tomorrow!**
