## ExcellCity Project Awarded “Project of the Year”

On **19 December 2025**, during an official ceremony held at the University of Library Studies and Information Technologies (ULSIT),

the **ExcellCity project (BG-RRP-2.005-0003)** was honored with the prestigious “Project of the Year” award.

The distinction was granted in recognition of the project’s leadership in innovation and its significant contribution to the strategic development of the university, highlighting the team’s consistent efforts, clear vision, and sustainable results.
